... for a day or two of Rock Island. The boy scouts have been offered by the city of Rock Island, the services of their special committee, which has been being conducted by Mayor George H. Johnson and W. R. Carpenter of Rock Island.

Scout meetings will be held next week in the existing camps of the country. Tonight's special meeting of second City camp, No. 2, will be held in Old Fellowship Hall, to which all members in the city have been invited. Special Deputy Orman will make the principal address. It is also planned to show Woodmen motion pictures at Dominion square in the west end of the city as an outdoor attraction tonight at 8 o'clock.

FINAL EXERCISES.

After playing seven cities between St. Louis and the tri-cities, the Streckfus line's big boat St. Paul steamed up the river this morning and landed at the Davenport levee at noon. This will be the northern terminus of the St. Paul's fall tour, after three excursions from the tri-cities, the boat will close its season and go into winter quarters in the harbor at Nahant. Tonight and Saturday night have been set aside for dancing trips, leaving Davenport at 8:15 and Rock Island at 8:30. Special programs have been arranged and a treat is in store for the dancers. The third and farewell trip will be Sunday afternoon to Muscatine, leaving Davenport at 2:30 and Rock Island at 3 o'clock and returning at 10:30.

Boy Scout News

Boy Scouts of Rock Island are cooperating with the bureau of Americanization at Washington in their plan for giving every possible opportunity to the foreigner who comes to this country. The young man has listed on his records every foreigner in Rock Island who has come here, known his intentions of taking out citizenship papers. To these men, the young men, local Scouts are calling on personally and delivering to them an invitation to attend the public night school being held in this city at the high school under the supervision of A. W. Jones. A large number of foreigners are taking advantage of the course offered to better acquaint themselves with the American ideals and customs. This work will be carried on throughout the winter and local Scouts are proud of the fact that they are making the agents of the government in delivering these important greetings and invitations.

The big Scout rally will be held for all troops in the city Friday evening, Oct. 29, at the Armory. Parents and friends of the Scouts will be invited to attend this rally while various troops in the city will put on demonstrations. A special event is being planned for each

troop, but there will also be some time in which groups will compete against each other. Prizes will be given for the best showing made by various troops.

The Scout band will have a social time Monday evening together with their rehearsal. From now on Philip Lientz will have charge of directing the band and he will have cooperation with his Scoutmaster Louis Crozier and Mr. Ostrom representing the Rotary club. The band will make its appearance at the Scout rally.

Troop No. 2 met with Scoutmaster Ray Walker at the Methodist church last evening. This troop is coming along in splendid fashion under Mr. Walker's direction and is also adding new members to its already large quota.

FIFTY-YEAR-OLDS CELEBRATE WITH McCABE COMPANY

Twenty-eight people from Rock Island, Moline, Taylor Ridge, Milan, Cresco, Orion, Alton and Royalton, Illinois, will be given the anniversary party at the L. S. McCabe company at a party held yesterday afternoon at the store. The occasion was the 50th anniversary of the L. S. McCabe store, which started in business on Illinois and Buffalo streets, now Second avenue and Sixteenth street, half century ago last Wednesday.

Commenting on the success of the party, Mr. Scott, buyer at the store says, "It was a real party, ice cream and everything, just like they had all taken part in when they were children."

Invitations had been sent by the firm to all customers who were born in 1870, to come and be their guests. Mrs. James Carl, who was Mr. McCabe's first saleslady, entertained the party with an account of the first opening when the capital stock was only \$450. She gave many amusing incidents connected
